Ref.: LdM Full Tuition Scholarships for Italian Advanced Placement Exams Students.

Dear Sirs,

With reference to your project concerning the AP Italian Language and Culture Exam,

Istituto Lorenzo de' Medici is pleased to offer **two** annual scholarships (full tuition) to be assigned to students with academic merit and who excelled in the exams.

LdM Full Tuition Scholarships cover a **4-week course (20 hours per week)** that starts according to the one-month course calendar. The winners can benefit from the scholarship **in 2022**.

Dates will be available at <http://www.ldminstitute.com/en/main/italian-language/>.

Extracurricular activities (fieldtrips, lectures, etc.), accommodation in a student shared apartment (double room) for the whole duration of the course are included in the scholarship. They will be confirmed according to course and/or level availability in the period requested by the recipients.

Please note that applicants should be at least **18 years old** by the beginning of the course.

Once the candidates have been selected, we kindly ask you to send us their application forms per fax or e-mail, stating the applicants' level of knowledge of Italian language. The application form for the relevant year form will be available at <https://www.ldminstitute.com/en/main/italian-language/>.

A personal essay written by the students (background in Italian language, statement of purpose) would be much appreciated in order to better assist them during their stay in Florence, and with their learning achievements.

This offer is **valid from the 1st of January 2022 until December the 31st 2022**. Istituto Lorenzo de' Medici reserves the right to update the current requirements with reference to number and type of scholarships, as well as dates and duration of the courses.
