Subject: **Scholarship**

Dear Sirs,

Accademia di Italiano is a well-known Italian language school located in Milan, Florence, Mantua and Turin.

We are glad to offer one scholarship for one U.S.A. citizen (minimum 18 years old) participating to the very valuable AP Italian program.

The chosen person will enjoy free attendance to one of our standard group courses in Milan for three weeks, four hour lessons/day, Mo to Fri, in the morning or in the afternoon depending on the language level.

Before joining her/his Italian course, the student will take a language level test to be assigned to the correct group, where two professional teachers will take care of him.

The scholarship includes a B&B accommodation in a family for the duration of the Italian course.

We will take care of the student's necessities and eventual allergies for a hassle free, very enjoyable staying.

The scholarship may be used within 2024.

As we appreciate the AP Italian program very much, we hope that our offer will be accepted and sincerely look forward to welcoming the selected student in Milan.

Yours Faithfully,

  
Sergio Serra  
Direttore
