The Rome Language Centre of the Dante Alighieri group was formed in 1981 and specialises in teaching Italian language and culture to students from all over the world. The Italian Ministry of Education also recognizes the school's high calibre instruction. It is open all year-round. The Rome centre is housed in a stylish turn of the century building, at 1 Piazza Bologna. It is within easy reach of the city centre and all other areas, amply served by Underground Line B and many bus routes. The classrooms are airy and bright, providing an excellent space for students to engage in learning. The picturesque terrace is an added feature which students enjoy as a place to meet during session breaks.

At our school, the method employed integrates a grammatical as well as interactive approach and highlights communication throughout the class. It is important to know not only the grammatical structure of a language, but also have the ability to communicate easily. Groups are limited to a maximum of 12 students.

The managing staff and the teachers - in ensuring a top professional level - reserve a warm welcome and a friendly treatment, assisting the student from the enrolment to the end of their courses (accommodation, freetime, acquisition of the residence permit).

CLIDA is the first school ever to join the UNI11863 standard: we ensure the highest quality standards not only with regard to teaching but also in relation to administrative and managerial aspects such as honesty, commitment to meeting customer needs, punctuality, kindness and helpfulness. The System allows us to assess customer satisfaction through the use of internal audits and external, third-party quality checks.

Courses offered: Intensive group & "one to one" Italian language courses (Monday/Friday); Internship programs; Opera programs.
